Spotlight on our transportation solutions

As a trusted provider of various transportation means, we're excited to spotlight a recent dispatch: a top-of-the-line Toyota ambulance is now en route to its final destination.

Remember, whether it's ambulances, trucks, or other vehicles, we've got a diverse range to meet your needs. Reach out for more details!

**Celebrating
5 years !**

We're proud to mark half a decade of distributing original Manitou spare parts. Thanks to our ongoing relationship with Manitou, you can always count on us for genuine, top-quality components. Here's to many more years of collaboration!

Expanding Our Procurement Horizons: *Mining in Burkina Faso*

As a dedicated procurement company, we continuously seek opportunities to diversify and enhance our portfolio. We're thrilled to announce our latest venture into the mineral-rich domains of Burkina Faso. By plunging into the mining sector, we are ready to harness new sourcing avenues and provide even more comprehensive solutions to our clients. Here's to new partnerships and prosperous endeavors in Burkina Faso's mining landscape!
