INSIDE THIS ISSUE

- Strengthening local presence
- Building Higher
- All cranes, One Source

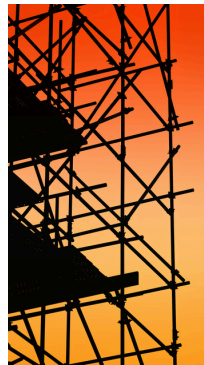

Local impact, Global Vision

We are thrilled to announce our recent partnership with SOGS in Senegal, allowing us to enhance our service offerings and increase our representation in Senegal. Most importantly, it establishes us as a "local content" provider, deepening our

commitment to the region and its development. We look forward to bringing our top services to more clients in Senegal and contributing positively to the local economy. Stay tuned for more updates!

Elevating construction projects

AfriK Appro LTD is now offering scaffolding supplies to meet the diverse needs of construction businesses. Our goal is to support your projects with quality materials and reliable solutions that ensure safety and efficiency on-site.

Whether you're building high or working on complex structures, our scaffolding solutions are designed to fit your specific requirements. Count on us for your next construction challenge, build safer, smarter and higher!

New, Used, Parts, Manuals ? Ask us.

At Afrik Appro LTD, we understand the critical role that cranes play in the construction and industrial sectors. That's why we are proud to expand our offerings to include a versatile range of crane solutions. Whether you need new cranes, used ones, or specific models, we have you covered. Our extensive selection ensures that you can find the perfect match for your project requirements.

In addition to providing various types of cranes, we offer crane spare parts and manuals to keep your operations running smoothly. Our commitment is to provide you with all the resources you need to ensure your cranes are functioning at their best.
